YEAR 2024-2025

Tracy Benetatos – Kindergarten Aide

My name is Tracy Benetatos, and this is my fourth year working in Kindergarten at St. Celestine School. I love my job and feel so blessed to be a small part of these student's school year. Before having children of my own, I worked as a preschool teacher in Oakbrook for many years. During my time here at St. Celestine's I have been on the Parents Club board and lead the Mini Celtics program for two & three-year old students.

I have two children that attend St. Celestine School. My son, Luke, is in 7th grade and my daughter, Quinn is in 3rd. St Celestine is a second home to our family, and we just love it here! In my free time, I love to spend time with my family and my parents. We love heading to our lake house in Michigan; it's our absolute favorite! I love anything creative- arts and crafts, painting, DIY projects, game nights, shopping and organizing. I'm looking forward to getting to know all the new Kindergarteners this year and know we will have great fun each and every day!
