April 10, 2024

Dear Parents and Guardians:

Welcome back from Easter Break! We are happy to see our students back after a lovely Spring Break week. Please keep the following dates on your calendar.

- Friday, April 19 is the Athletics Trivia Night. It is a great fundraiser in support of the athletics program at St. Celestine School
- Tuesday, April 23 is the Kick Off for our Boosterthon Fun Run, with the run being held on May 2, 2024. Please watch for communications about activities and challenges for this tremendously fun event.
- Friday, April 26 is a Professional Development Day for Teachers. There is no school for students that day.

Efforts are underway to get the Tax Credit Scholarship Program back in May. If that were to happen, fundraising could begin in June to fund scholarships for the school year that starts in August. In order to maximize the chances of that happening, they need your help! Call and email your legislator using [this link](#) and tell them to reinstate the Invest in Kids Act. In doing so, you are helping make a Catholic school education an opportunity for many families.

Thankfully,

Sheila M. Klich  
Principal
