Dear Parents and Guardians,

I hope you're having a wonderful week! We have several exciting events and updates to share with you.

Screenagers Viewing – This Friday

We invite all parents to join us this **Friday evening** for a special screening of *Screenagers* at *7:30pm*, a thought-provoking documentary that explores the impact of screen time on our children's well-being. This event is a wonderful opportunity for families to learn together and discuss how we can support our students in developing healthy digital habits. Please register using the QR code on the flyer to attend.

As a thank-you for your participation, **attending parents will receive 3 service hours** toward their mandatory service hours requirement. We hope to see many of you there!

Boosterthon Fun Run – April 30

We're also excited to announce that **registration for our Boosterthon Fun Run is now open!** This event is always one of the highlights of the school year, promoting fitness, school spirit, and community. Families can start registering their students today and help us reach our fundraising goals for upcoming school projects.

Thank You for Completing the 5Essentials Survey

A huge thank-you to all the families who took time to complete the **5Essentials survey**. Your feedback provides valuable insights that help us continue improving our school environment for students, families, and staff.

Because of your fantastic participation, our students have earned a **Dress Down Day on April 20!**

We are truly grateful for your ongoing support of our school community. Your involvement—whether through attending events, volunteering, or sharing your feedback—makes a meaningful difference.

Blessings,
Sheila M. Klich
