April 21, 2026

Dear SCS Families,

The 2025/26 school year is rapidly drawing to a close. It has been a joyful year in so many ways!

We are turning our eyes to the future. If you have not yet registered for the 2026/27 School Year, please do so. Many classes are filling quickly and we do not want to put current families on waiting lists.

Tuition assistance is being determined based on families who have registered and filed FACTS applications. Additionally, tuition assistance available through the Archdiocese is determined based on registration and FACTS aid applications.

If you have registered and are set for the 2026/27 School Year, please be sure that you have set up your 2026/27 account in FACTS for tuition payment. The first payment for 2026/27 is May 1.

Please review the tuition policy for details on tuition. It is being included in this week's Brown Envelope. Please note that families who register after May 1 will have the entire \$250 curriculum fee added to their first tuition payment, rather than having it spread through the year.

Volunteer hour update letters were sent last week and additional hours are available for the remainder of the year. Please watch for them. Please contact the school office by email if you have any questions regarding hours.

Lastly, we have an Out of Uniform Day on Friday, April 24.

Thankfully,

Sheila M. Klich
Principal
