April 24, 2024

Dear Parents and Guardians:

The signs of Spring and the return to many of our Spring events is bringing joy to the students and staff alike. The weeks ahead include many events and more are scheduled for later in May. They include:

- April 23 was the Launch date for Boosterthon, with our Boosterthon team coming to classrooms and helping get students ready for the run on May 2. This is our big fundraiser for technology upgrades and our math program. Please note the following for that day.
  - Students may dress down in clothes for running.
  - Students should bring filled water bottles for the day.
  - Weather permitting, students will be running in the parking lot. They will run in the gym if it is raining.

**Boosterthon is coming! Don't forget to register! - <https://mybooster.com/v3>**

- April 26 is a Teacher Professional Development Day, with no school for students.
- May 4 is First Communion for our Second Grade students.
- May 7 is a 2:00 pm dismissal for students.
- May 9 is the May Crowning/ Ribbon Ceremony. The Eighth Grade will have their graduation dinner dance in the evening.

If you have registered and are set for the 2024/25 school year, please be sure that you have set up your 2024/25 account in FACTS for tuition payment.

Thankfully,
