April 29, 2026

Dear St. Celestine School Families,

Get ready—our Fun Run is just around the corner on April 30! There is still time to register and donate, and we would love to see every student take part in this exciting event. The energy is building, and we are so close to reaching our goal!

To make things even more fun, I've made a bold promise: if we hit our goal, I will spend an entire day on the roof of the kindergarten building—rain or shine! The students are already cheering this on, and I have a feeling they're determined to make it happen. Once we hit the goal, I will let everyone know the date I will be on the roof!

As we head into these final days, please also remember that Apple Watches and similar devices should stay at home. While useful outside of school, they can be a distraction during the day and take away from valuable learning time.

Please remember that tuition payments for the 2026/27 school year start May 1, 2026. If you have not accepted your FACTS Tuition account for the year, please remember to do so. It's very important!

Thank you, as always, for your incredible support and feedback. Your generosity, enthusiasm, and partnership are what make our school such a special place. Let's finish strong and make this Fun Run one to remember!

Thankfully,

Sheila M. Klich
Principal
