Dear Parents and Guardians:

Please read this communication completely as this is a very busy time of year. There are so many wonderful things happening!

Thank you to our amazing Parents Club and awesome room parents for providing the staff and students with such fun Valentine's Day parties last week. Everything was perfect!

Thank you to our parent volunteers and, especially, to Lynette DiMaggio, for restarting our Queen of Hearts Raffle. You may have noticed tickets being sold outside and at different events. Currently the pot stands at over \$1480 and is growing. Weekly drawings are held Wednesday afternoons and videos of them are posted on Facebook.

St. Mother Theodore Guerin is hosting fish fries on February 27 and March 13. A pasta dinner is being hosted on March 27. These meals are from 5pm until 7pm in the gym. Volunteers are needed and anyone who volunteers can fulfill mandatory Service Hours for the school. Please use the links below to register to volunteer:

Lastly, every year the Archdiocese of Chicago administers the 5 Essentials Survey to parents, teachers, and students. The insights gathered help guide planning, strengthen school culture and support continued growth across our community. Strong participation truly makes a difference, highlighting successes and areas for attention for the years ahead. I am asking you to take some time and complete the survey using the link below. This helps inform the choices made and direction the school takes in the future. I thank you, in advance, for the information you provide by taking the survey.

With Gratitude for all you do,
