Dear St. Celestine School Families,

Welcome back to a new calendar year. May your 2024 be filled with God's blessings and grace. May this be a year filled with joy.

**Pre-registration for the 2024-2025 School Year for current families begins now.** For your convenience, please pre-register on-line using this link: <https://stcelestineschool.org/register-current>

Registration for new families begins January 28, 2024. Please mark that date on your calendar because we will have an Open House immediately after the 11:00 am Mass. Families are warmly invited to this Open House.

I do have a reminder regarding phones and electronic devices. Students should NOT carry any personal electronic devices on their person while at school. They may be collected by the homeroom teacher, and will be returned to the student by the teacher at the end of the school day upon dismissal. However, if the student does not turn in their personal electronic device, the device will be taken, labeled, and kept in the school office until claimed by a parent or legal guardian. Smart watches and other non-school electronic devices are NOT to be worn or used during the school day. These items may also be collected by homeroom teachers if they are worn by students. It is strongly advised that these devices be left at home. St. Celestine School is not responsible for any lost, damaged or stolen personal electronic devices.

With Prayers, Gratitude and Blessings,

Sheila M. Klich

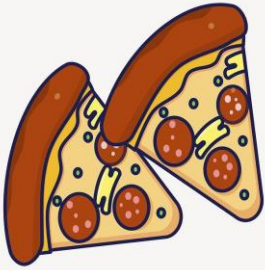

Principal
