January 21, 2026

Dear St. Celestine School Families,

Registration for the 2026/27 school year is ongoing. Please note that after January 23, 2026 the registration fee increases to \$125. Please also note that there may be grades where space is limited and securing a spot now is advised. If families wish to have specific conversations about the 2026/27 school, please contact me at sklich@stcelestineschool.org.

Steps for applying for tuition assistance will be shared in the upcoming weeks. Please note that an additional means to save tuition money is through our Family Referral Program, where current families get a \$300 reduction for the year if they refer an interested family who is not currently attending St. Celestine School. Please contact me at sklich@stcelestineschool.org, if you have questions about this.

St. Celestine School is very excited to announce the upcoming Catholic Schools Week events, which are shared in the list below and in additional flyers in this week's Brown Envelope.
