January 22, 2026

Dear St. Celestine School Families,

Due to the prediction of extreme cold and dangerous wind chills, St. Celestine School will have a Snow Day Friday, January 23, 2026. Tomorrow will be a snow day rather than a remote learning day. All after school meetings and events are also canceled tomorrow.

We strongly encourage you to attend the Catholic Schools Week Mass on January 25 at 11:00am and the Open House afterwards. St. Celestine School is celebrating its 90th anniversary and Cardinal Cupich will be celebrating the Mass.

The registration deadline of January 23 will be extended to Monday, January 26. The fee will be \$100. After January 26, the fee for registration will increase to \$125.

Please contact me at Sheila.klich@stcelestineschool.org if you have any questions. Thank you!

Sincerely,

Sheila M. Klich
