January 22, 2025

Dear St. Celestine School Families,

There are several pieces of good news to share this week. A number of positive things have happened.

### **Queen of Hearts**

The Queen has been found! The pot was \$13420 and the winner got half of that. The lucky card was picked on January 8, 2025 by a St. Celestine School supporter who was a dedicated participant during the whole raffle. She did wish to remain anonymous.

### **New Director of Technology**

I am very pleased to announce the hiring of a new Director of Technology for St. Celestine School. Mr. Joseph Ciconte, who has a long history of supporting Catholic Schools in technology, will be joining us starting February 3. His dedication to Catholic education and experience in IT will benefit St. Celestine immensely.

### **Catholic Schools Week**

Catholic Schools Week is coming and we can't wait! Please see the flyer included this week for events and activities. Families are strongly encouraged to attend 11:00 am Mass at St. Celestine, immediately followed by Open House. Students who attend in uniform will be given an out of uniform pass. We look forward to seeing as many families present as possible.

As a reminder, registration for the 2025/26 school year is ongoing. Spaces are filling quickly and we want you to be a part of St. Celestine School's strong future. Should you have any questions about academic programming, financial aid, or the school overall, please contact me at [sklich@stcelestineschool.org](mailto:sklich@stcelestineschool.org) . I am very happy to have conversations or schedule meetings with families.

Thank you for everything you do for the St. Celestine School community.

With Gratitude,

Sheila M. Klich  
Principal
