Dear St. Celestine School Families,

We hope your summer continues to be restful and filled with blessings. The SCS office has been busily preparing for an amazing 2024/25 school year.

Thanks to everyone who has shared pictures of what they are doing for the summer.

Some of us went bowling....

Some of us are doing the St. Celestine School Reading Challenge...

Emily R. won Little Miss Puerto Rico 2024 and we are very proud of her.

Please be sure to send pictures of your summer adventures, to share with your St. Celestine School family. We want to hear all about what you are doing.
