

## PRINCIPAL'S PAGE

May 6, 2026

Dear Families,

As we begin preparing for the upcoming school year, we are pleased to share that a draft of the 2026–2027 school calendar is now available for your review. We hope this early release supports your family's planning for the year ahead, though dates may change.

As we approach the end of the school year, we also want to share a few important reminders:

Report cards for students with outstanding tuition or fee balances will be available for parent pick-up in the office after school on Wednesday, June 4, or between 8:00 a.m. and 2:00 p.m. on Thursday, June 5. This will allow parents the opportunity to bring payment (either cash or cashier's check) so that accounts are settled.

Mandatory service hours will be calculated and any unmet hours will be added to your FACTS account on May 14. The cost is \$25 per hour and families are expected to complete 14 hours.

Our Spring Book Fair will take place on May 14. This is a wonderful opportunity to encourage summer reading and help your child build their personal library. For added convenience, an online book fair will also be available for families who prefer to shop from home.

Thank you for your continued partnership and support of our school community.

God bless,

Sheila M. Klich  
Principal
