November 6, 2024

Dear St. Celestine School Families,

The St. Celestine School Faculty and Staff wish to, once again, express gratitude for the many acts of kindness last week as we mourned the loss of Cindy Gallagher. The breakfasts, lunches, donations, and efforts of our school organizations have helped us tremendously. Thank you.

There are a few calendar reminders to note.

St. Celestine School will be closed on Friday, November 8 to enable our teachers to participate in professional development mandated by the Archdiocese of Chicago.

Report cards had been scheduled to go home on November 6, 2024. They will be sent home on November 13, 2024 instead. Report cards will be held if there are outstanding balances for tuition or before/after care

St. Celestine School pulled the raffle winners for the Mandatory raffle. The lucky winners were (as written on the ticket): Vince G., Joseph Stocchero, Alex Castaneda, Mercedes Correa, F. Albanese, and Oleksii. The office has reached out to them regarding winning. Though, in reality, we all win because this fundraising goes to support the school and its work with students.

There is one last note. We kindly request that when paying for things in the office, exact change be used. The office is not able to provide change.

Thank you.

Sheila M. Klich
Principal
