Dear Parents and Guardians:

As a reminder, Parent Teacher Conferences are October 8 and 9. There is an 11:30 dismissal. After Care and Lunch will not be provided. We do not have school on Monday, October 12. It is Columbus Day/ Indigenous Peoples Day.

This week parents will be receiving an invitation from the Archdiocese to complete a survey on school satisfaction. While I know it is sometimes human nature for people to do surveys only when they are displeased, I am asking you to complete the survey so that the school has a picture of what is working, what might need improvement, and ways to continue to serve our children. Please complete the survey so I know what to keep, what to change, and what deserves attention. Thank you for any attention you can give the survey- the information received from it is very helpful.

Lastly, when using the parking lot, please do not park in handicapped parking spot unless you actually need it due to physical needs. That spot is reserved to help people in the community who truly need it.

In the weeks ahead, the school will be having fire drills, lockdown drills, and other mandated drills to practice preparedness in case of an emergency.

Have a wonderful week.

With Gratitude and Blessings,
Sheila M. Klich
