Dear Parents and Guardians:

As a reminder, Parent Teacher Conferences are October 9 and 10. There is an 11:30 dismissal. After Care and Lunch will not be provided. We do not have school on Monday, October 13. It is Columbus Day/ Indigenous Peoples Day.

This week parents will be receiving an invitation from the Archdiocese to complete a survey on school satisfaction. While I know it is sometimes human nature for people to do surveys only when they are displeased, I am asking you to complete the survey so that the school has a picture of what is working, what might need improvement, and ways to continue to serve our children. Please complete the survey so I know what to keep, what to change, and what deserves attention. Thank you for any attention you can give the survey- the information received from it is very helpful.

Lastly, the school currently has a need for an aftercare employee from 3pm until 6pm on Mondays through Fridays. The pay is minimum wage, but the position is such that the person filling it gets to work with a wide range of students in the after care setting. Please contact me directly, if you are interested in this important role in our school community.

Have a wonderful week.

With Gratitude and Blessings,
Sheila M. Klich
