Dear Parents and Guardians:

Thank you for your attention to St. Celestine School safety protocols. We appreciate working with you to keep the school safe. With a desire to work with families in a positive manner, we request the following:

- Please do not respond in anger if asked to present an ID when picking up your child.
- Please drive responsibly around the school area and do NOT park on the Wellington side near the cones at drop off.
- Please do not park in the handicapped parking spots, especially at drop off.

Mark your calendars for September 9th. It is Parents Night from 7:00pm until 8:30pm. Parents are invited to meet the teachers, Fr. Ton, and representatives from the organizations that help the school. Any children who attend must be registered for babysitting. See this week's flyer for details.

Parish Taste is on September 12th from 4:00- 9:00PM. Join us for fun, food, entertainment, and games from 4:00pm until 9:00pm.

Lastly, the Elmwood Park Youth Commission sponsors bike rides. They are listed below:

- September 23 at 7:00pm starting at Centennial Park
- October 21 at 6:00pm starting at the Parks and Recreation Building

If families email me pictures of themselves at the ride in St. Celestine gear (or with bikes decorated with St. Celestine colors/ decorations), they will be entered into gift card raffle. The raffle will be on October 23. Think of it as a fun way to promote the school!

Blessings,
Sheila M. Klich
