

August 20, 2020

Dear St. Celestine School Family,

Welcome to the 2020/21 School Year! We are happy that you are a part of our school community and look forward to a strong collaborative approach to working with you and your child. Research shows that a strong connection between home and school is tied to student success in school.

In order to help build that connection, St. Celestine School is providing you with log-in information for the various electronic platforms and applications your child will be using both as part of face-to-face instruction and in any instance he/she may be at home participating in short term e-learning. These digital tools have been chosen carefully to provide students with the skills necessary for success for 21st century learning.

All digital tools are in compliance with COPPA (Childrens Online Privacy Protection Act) and FERPA (Family Educational Rights and Privacy Act) laws. These laws protect your child's student educational records, as well as, the privacy for children under the age of 13. In addition to the name of the platform/application, we are including what it is used for, user name and password, and a link to information about the application.

Platform/ Application	Used For	User Name	Password	Info. Link
PowerSchool	Checking student grades on assignments			
Google Classroom GSuite Tools Google Meet	Providing students with assignmts. And Provide workflow Communications Student Creation Tools Synchronous Learning	grad.year/FirstInitial/Lastname@stcelestineschool.org		 http://services.google.com/fh/files/misc/guardians_guide_directory_april2020.pdf
