

Dear Parents,

Thank you for your continued interest and support of the school. This email is primarily for families opting for the Remote Learning Track for the 2020/21 School Year.

There are a few important dates for our upcoming calendar.

On August 29, parents may come to the gym and get books set aside by the classroom teachers. The books will be stacked and labeled with student names. Families of students with last names from A-G may come from 9:00-10:00am. Families of students with last names starting with H-N may come between 10:15am and 11:15am. Families of students with last names starting with O-Z may come between 11:30am and 12:30pm.

Schedules will be shared with families, along with log in information for the different accounts your children will be using.

Students will receive direct instruction from St. celestine Teachers and staff as part of their daily work. Additional teachers and staff have been engaged to support the learning being done remotely.

If you are in need of a Chromebook to use during this time, please complete this survey so we can prepare a device for you.
