August 26, 2020

Dear Parents and Guardians:

Thank you for a wonderful beginning to the 2020-21 school year. We welcomed many new students to our school family. We are looking forward to new and exciting learning adventures.

I do have a few important announcements regarding this very unique year we are experiencing.

Picture Day has been rescheduled to January 13, 2021, in the hopes that we will all be together face-to-face for great pictures. Picture Day will not be August 28, 2020.

As an incentive for students to wear masks and maintain social distancing, students may dress down on Fridays. We want to make these expectations something positive for them and this is one way we can do this. That will begin Friday, August 28, 2020.

We will have an early dismissal on Tuesday, September 1, so that the teachers may have a faculty meeting. Please refer to the chart below to determine your pick up time. Please have your children use their assigned doors when they leave.

Time	Grade
1:45	PreK, K, 6th
2:00	2, 7, 4, 3
2:15	1, 8, 5

The need for social distancing and mask wearing is an important part of keeping the school open. The teacher and I have worked countless hours and setting the expectation. Only one area stands out as an area of concern....dismissal.

Parents, we need you to make sure everyone on school property is wearing masks and maintaining social distancing. That includes after we release students to your care at the end of the day. We should not have students playing on school grounds without masks. We need you to model social distancing and mask wearing if you are on school grounds. We are responsible to each other taking care of each other. Following these rules are part of that.

Blessings,
Sheila M. Klich
