Dear Parents and Guardians:

If you want St. Celestine Spirit Wear for the holidays, today is the last day to order. Here is the link.

<https://stcelestineapparel.lafgrp.com/>

Please remember that Friday is a Teacher Professional Development Day and school will not be in session.

The school also has an upcoming McDonald's fundraiser. Please note those attachments, as well.

Thanks to the wonderful help from Parents Club, we are doing a virtual Santa's Workshop. The handout for that is included in this week's Brown Envelope. Items can be ordered and sent directly to your home. By participating, your child gets the joy of shopping for Christmas and funds from this help support the school.

Lastly, the school is in the process of planning a virtual "Get Healthy" fundraiser. We are supporting local businesses by having them provide live-streamed events for children and parents. The events will be over the course of the weeks from January 4 through January 15 and will focus on things such as exercise, cooking, and healthy activities. If you know of a small business who would be willing to donate time for this, please reach out to me at sklich@stcelestineschool.org or Gina Griffone at development@stcelestineschool.org. We want to create a fun-filled few weeks of activities to usher in 2021 and beat the winter doldrums.

With Gratitude and Blessings,
Sheila M. Klich
