Dear Parents and Guardians:

We have so much to celebrate this week!

Our school tour video is on the St. Celestine School website and is getting rave reviews (<https://stcelestineschool.org/>) . Please share it with anyone looking for a school next year.

St. Celestine School was mentioned specifically by the Archdiocese of Chicago for making learning gains during the pandemic (<https://www.archchicago.org/en/news-release/-/article/2021/02/01/the-archdiocese-of-chicago-s-office-of-catholic-schools-announces-its-students-maintained-learning-gains-despite-covid-19-pandemic-challenges>) . Catholic schools have maintained learning gains despite the pandemic and this speaks to the hard work of our teachers, students and parents!

As of today, I know of four 8th grade students that have earned scholarships for their high schools. That list is growing and highlights the excellence of St. Celestine School. We are so very proud of our 8th grade students and look forward to the many great things their future holds.

Registration continues for the 2021/22 School Year. We are already planning for a great year ahead and look forward to you being a part of it. If you have any questions or would like to meet to discuss the year ahead, please reach out to me at (708) 453-8234 or at sklich@stcelestineschool.org . Many classes are filling up quickly!

Please use this link for convenient, remote registration from the comfort of your home.
