Dear Parents,

We are looking forward to a wonderful Catholic Schools Week for our students and families. Obviously, this year is different than in years past and many of the things we will be doing are different. They are all geared to celebrating St. Celestine school and its welcoming community.

On Sunday, January 31, the school launches online registration for new families. Current families should register soon to ensure they have a spot for the 2021/22 school year. Please use this on-line link for convenient registration

There will be a school tour video on the school website for families to watch. Please share this with any interested families you know and check it out yourself.

Please join us at 10:30am Mass on January 31. Use this link to register

<https://stguerinparish.org/> . Students who come in uniform to Mass will get Out of Uniform passes for use in school.

On Monday, February 1, we celebrate Community. Our face to face students may dress down. All students are going to participate in a t-shirt design contest. The winning t-shirt will be turned into a shirt available to the whole school later in the year. The theme for the contest is: *Creation and the SCS Community- We Are All Connected*.

Boxes will be placed outside of the classroom doors for students to bring canned, non-perishable food items for the parish food pantry,

On Tuesday, February 2, we celebrate Students. The teachers are planning some fun STEAM projects for kids to do on-line and face to face. We are going to have an Academic Bowl between Room 202 and Room 204, which will be streamed to the classrooms. Students may also wear St. Celestine School Spirit Wear.

On Wednesday, February 3, we celebrate Our Nation. Students will be making cards and short video thank you's for first responders and the many people in the community who have served this nation during the pandemic.

On Thursday, February 4, we celebrate Vocations. Students may come dressed as their future vocation. We are working with Fr. Brendan and Fr. Paul for video meetings. We would love to have any parents interested in meetings where they talk to the students. ***Please reach out to the teachers or Mrs. Klich, if you would like to do this.***

On Friday, February 5, we celebrate staff. Teachers will have a luncheon and get a gift from the school. Students may make cards for them, as well. Students will have a movie treat that afternoon in their classrooms, as well.

Lastly, tuition statements for the year 2020 can be found by logging into your FACTS account if you pay FACTS directly. If you pay through the school, please contact the school office.

Please reach out to me at sklich@stcelestineschool.org if you have any questions at all.

Sincerely,

Sheila M Klich
