If you are interested in applying for a Tax Credit Scholarship for the 2021/22 school year, Empower Illinois will open their reservation form on Wednesday, January 13 at 6:30pm. Scholarships are granted on a first come first serve basis, so time is of the essence!

The Archdiocese has created a checklist with all of the information needed to apply. It is included in this week's Brown Envelope.

Empower Illinois has created a preview of the reservation link for families, so they know what to expect. Please preview the Empower Illinois reservation: <https://ocs.archchicago.org/Portals/23/EI%20Reservation%20Preview.pdf>

Families who want to be considered for other aid, must complete an aid application through FACTS Tuition Management. Tuition assistance is provided based on need and timely submission of requests.

As I reflect on the 2020 calendar year, I think of the many things teachers, parents and students have been asked to do. It has been a year like none other. It would be easy to focus on the challenges and what has been sacrificed and I have found myself going to that place as the year has progressed.

This year, however, I want to make mention of the growth in life skills I have seen in the SCS community.

These qualities include the following and have been present in every part of our community and make up the blessing helping us through every challenge. Thank you for the times you have shown these to those around you and have built this community in God's name.

Resilience
Faithfulness
Creativity
Leadership
Grace

Spirituality
Altruism
Innovation
Patience
Collaboration

Empathy
Problem Solving
Independence
Love
Persistence

Sacrifice
Responsibility
Hope
Gratitude

Lastly, if families are still interested in donating to the Teacher Gift fund organized by Parents Club, checks may be dropped off at the School Office.

With Gratitude and Blessings,

Sheila M. Klich
