

Dear Families,

St. Celestine School has been busily preparing for a safe, healthy and wonderful 2020/21 school year. While we are waiting to get the plan from the Archdiocese of Chicago, we have been doing a number of things to prepare. These things include:

- Moving furniture to create space in the rooms to allow for greater space between students
- Ordering plexi-glass for the office
- Ordering cleaning supplies, including wipes and hand sanitizer
- Reviewing current policy regarding student attendance and absences due to illness
- Eliminating the "Perfect Attendance: awards from St. Celestine School awards

This is only the beginning....

Check out this video from Dr. Jim Rigg, Superintendent of Archdiocese of Chicago Catholic Schools. He outlines some of what is happening.
