March 10, 2021

Dear Parents and Guardians:

Picture Day is coming! Students will have their pictures taken March 26 , 2021. We want both remote and face to face learners to get their pictures taken. The schedule below is what we will be following.

8:00-9:00am	Remote Learners Grades K-7
9:00am-12:00pm	Face to Face students – Regular pictures
12:00-1:00pm	Remote Learners Grade 8- Graduation Pictures
1:00-2:00	Face to Face 8 th Graders- Graduation Pictures

Pictures will be taken in the Annex. The areas will be cleaned after each child has his/her picture taken. Remote learners are to report to the Main Office for a temperature check. They will be seated at tables socially distant from each other in the gym, while they wait for their turn to have their picture taken. Parents may wait, parked in the parking lot. Students will exit from the Annex doors, under the supervision of school staff.

Please review the Family Handbook for expectations regarding hair color and hair length, appearance, and dressing up for pictures.

Please let me know if you have any questions regarding this process. I can be reached at sklich@stcelestineschool.org .

Lastly, as families prepare for Easter break, please be aware that students will have to quarantine/ do remote learning if they travel out of Illinois over break. Remote learning will be for the 2 weeks after the child returns from his/her trip. Please let me know if you have questions.

Thankfully,

Sheila M. Klich
