

## PRINCIPAL'S PAGE

March 3, 2021

Dear Parents and Guardians:

The Archdiocese is conducting an annual survey to get feedback on school performance. It is through the University of Chicago. Please follow the link and complete the survey <http://survey.5-essentials.org/archchicago/survey/parent/>

Please take the time to do this, because to get the most accurate information possible, we need a large number of parents to complete this.

**Tomorrow, March 4, is Report Card Day! Report Cards will be sent, provided all tuition accounts are current.**

As a reminder, March 26 is Picture day. Details regarding the Picture Day Schedule, Graduation photos, and the process for Remote Learners will be shared in next week's Brown Envelope.

Parents, please note that because of the rules regarding social distancing, students should leave as soon as they are dismissed from school. They may not linger. Please also note that e-learners should not be on school property (inside and outside) before school, during school, or after school. Only students registered as face-to-face learners may be on campus due to the COVID safety protocols in place.

Please also register for the 2021/22 School Year, if you have not already done so. The on-line registration form is available on the school's website at <https://stcelestineschool.org/forms/> . If you have questions regarding any aspect of registration, please contact the school office.

Lastly, as families prepare for Easter break, please be aware that students will have to quarantine/ do remote learning if they travel out of Illinois. Remote learning will be for the 2 weeks after the child returns from his/her trip. Please let me know if you have questions.

Thankfully,

Sheila M. Klich

Principal
