

Dear Families,

Please Remember that if you travel outside of Illinois to an identified hotspot, you will need to quarantine for 2 weeks and your child(ren) will have to switch to remote learning.

Any international travel requires the 2 week quarantine period as well.

Please use this website to identify hot spots:

<https://cookcountypublichealth.org/communicable-diseases/covid-19/covid-19-travel-guidance/>

Families will be notified if questions arise about travel. Keeping our school community safe is everyone's job!
