Oct. 14, 2020

Dear Parents,

I hope you enjoyed the long weekend. Please keep in mind that the teachers have a Professional Development Day on Friday, October 16. School will not be in session for students.

Last week information went out to families regarding the Medical Forms that are due to the office. The communications were for families who had not yet submitted them. The State of Illinois requires medical, vision and dental visits for students at particular grades. This expectation is the case for both students participating in face to face instruction and remote instruction. If you were contacted about outstanding paperwork, please get the paperwork submitted to the office ASAP. Failure to do so may result in mandatory remote learning until paperwork is received. Please contact the office at 708-453-8234 if you have questions.

St. Celestine School has not had any new COVID cases identified since cases were identified on October 1. Classes will be returning from quarantine next week and everyone appears to be doing quite well. Thank you for your patience as we request that you keep your children home if they are not feeling well, get doctor's notes if they are out sick and promote measures such as social distancing, wearing masks and washing hands. By working together, we promote the health and safety of the entire SCS community. Our hard work and adherence to the Archdiocesan protocols for safety is paying off!

The Mandatory Raffle Ticket Fundraiser continues. Parents of remote learners must pick up the tickets from the school office, if they have not already done so. There are a number of envelopes in the office waiting for pick-up.

Lastly, parents please drive carefully when dropping off and picking up students. Even with the staggered schedule, the school area is very busy during those time periods. Should you need to help your child out of a car seat, please use the parking lot to do so. The street areas are for quicker drop offs and traffic needs to keep flowing.

Thanks for your attention to these items. Have a wonderful week!

Sheila M. Klich
