Dear Parents,

Thank you for your help and support during arrivals and dismissals. Please note the following as we proceed into the year:

- Our staff is working very hard to take temperatures and make the arrival process flow. Please treat them with respect.
- Masks are to be worn by everyone above the age of 2 on school property. That includes students, staff and parents.
- Doors open at the time noted on your letter. The time noted is not the time that they should be in their seats.
- Before Care will be shifted to the gym, so that siblings with different arrival times have a place to wait. They will sit in tables set by homeroom.
- Students without siblings who arrive before their scheduled time will be moved to Before Care and will be charged.

There are a few important events to add to the calendar.

The first is the School Book Fair which has begun. It is September 8 to September 21. All orders ship to your home and there's free shipping on book-only orders over \$25. All purchases benefit our school. **Visit the Book Fair homepage to get started:**

Because of the inability to meet as a large group, Parent Night will be rescheduled to the Week of Sept. 14. Teachers will provide video links and/or meetings invitations. I will also be available to meet with families virtually, much like how meetings were held prior to the start of the school year. The meetings will be spread over multiple evenings to accommodate families with multiple children.

There is a Parent's Club/ School Board meeting the evening of September 15 at 7pm, as well.

Lastly, there are a few helpful links on the website. They are:

- A link showing parents the assignments for Remote Learners:

- A link showing parents homework for Face to Face Learners:

Please know that you are in my prayers and we are grateful for your prayers, as well.

Blessings,
