## **St. Celestine School 2019/20 Family Handbook**

### **MISSION STATEMENT**

St. Celestine School is a Catholic elementary school that exists as a part of the parish faith community which seeks to instill gospel values and promote spiritual growth through liturgies, service, and commitment to God. St. Celestine School recognizes individual differences and provides a quality academic foundation which fosters opportunities for academic, physical, and spiritual development in an atmosphere of peace, safety, hope, and love. St. Celestine School encourages each student to care for the environment and to respect God's people. St. Celestine School challenges the students to lead lives rooted in Christ.

### **A PARENT'S PRAYER**

Loving God, we thank you for all the blessings you have bestowed upon us, especially for the children and our relation to them. We ask that you will endow us with the wisdom and strength as we care for and nurture them. May we be your instruments to lead our children to a realization of your power and your love.

St. Celestine, guardian of our faith, pray for us.

### **SCHOOL PHILOSOPHY**

St. Celestine School is dedicated to the blending of the total message of Christ and his Church with the finest academic education possible for our students. As a faith community of students, teachers, parents, clergy, and parishioners we unite our time, service, prayer, and love to lay a solid foundation encouraging the development of personal responsibility as the students shape their world committed to Christian justice. St. Celestine School provides an atmosphere in which to grow, where individual potentials and successes are realized as students begin this life-long process of education perfected in eternal life.

The philosophy of St. Celestine School, as defined by the National Conference of Catholic Bishops, incorporates the threefold purpose of Christian education: to proclaim the word, to build community, and to serve God and humankind.

This philosophy provides for and encourages each student to reach his/her spiritual, academic, social, and physical potential. It encourages the growth of Christian values and contributes to the development of the God-given abilities of each student.

The spirit of St. Celestine School can be observed in the support and respect demonstrated among faculty members, parents, and students. The faculty and parents assume and share the responsibility of educating the whole child while preserving his/her individuality and uniqueness. The positive result of this is found in prayer, service, and commitment to God, church and neighbor.

## **ADMISSION**

Children that are now enrolled in St. Celestine School shall have priority for the next year school's registration. Families with children already attending St. Celestine School must pre-register at least one week prior to general registration.

1. Next priority for registration at St. Celestine School shall be given to children of registered parishioners, children of non-parishioners, and transfer students from public school.
2. Open registration will begin at open house that takes place the last Sunday of January for those classes that have room. Some classes may be filled with pre-registered students. Parents and students will be notified of acceptance if necessary.
3. A child entering pre-school 3, 4, kindergarten or first grade must be three, four, five, or six years old by September 1st of the current year. Registrations for these grades must be accompanied by a birth certificate and baptismal certificate, if applicable.

Students may be registered on a probationary basis, at the Principal's discretion.

Transfers, academic, sacramental, and current health records are required of all students entering first through eighth grades. Current health records are required of all pre-school, kindergarten, and first grade students who enter school for the first time, and for all sixth grade students.

## **WITHDRAWALS**

When a student transfers to another school, the Principal should be notified via a letter at least two weeks in advance. It is necessary to know the name and address of the receiving school, as well as the new address of the family. All personal records will be forwarded directly to the Principal of the receiving school. All financial accounts must be completed before records will be forwarded

## **ATTENDANCE**

Regular daily attendance and punctuality are of prime importance and the responsibility of the parent and student. Parents will be notified of concerns regarding attendance.

## **ABSENCE**

Absence even occasional absence constitutes a handicap to the student in his/her progress, it is essential that we receive your cooperation in keeping absences to a minimum. However, for the child's best interest and to prevent the spread of contagious disease, a child should be kept at home if he/she shows any symptoms suggestive of acute communicable diseases. When a child is absent 3 or more consecutive days, a doctor's note for re-admittance is required.

The school is obliged to keep an accurate record of daily attendance. For your child's protection, when he/she is absent the parent should call the school office before 7:45 A.M. each day the child is out. If the office is not notified, the school secretary will call the home. If a student arrives after 9:00 A.M. they will be marked one-half day absent. If a student has an early dismissal over one hour it will be one-half day absent.

When a parent chooses to take a child out of school for a vacation, a written notice must be sent to the school. Teachers will not assign ahead of time work which will be missed during a special period. It is much more feasible for the student to make up assignments when he/she returns to school.

A written note from the parent indicating the reason for absence is required for class re-admittance even though the school was called. This is to be presented to the homeroom teacher and should state the date(s) the student was absent. It is the responsibility of the student to contact the teacher(s) to find out which assignments were missed and to complete them within a given amount of time (1 extra day for each day of absence). Grades will reflect absences if the work is not made up during the time allowed. Excused absences are for sickness, funerals and special educational experiences like science fairs or National Geography Bee. All other absences are considered unexcused. If a child is ill they may not attend-practice-play at athletic events that day. If a student accrues more than nine unexcused absences the student may be retained.

### **EARLY DISMISSAL**

When it is absolutely necessary for a student to be excused from school for a medical/dental appointment, or an emergency, a note must be sent to the teacher. This note is then sent to the office. For the safety of the student a parent must come to the school to meet the student and sign out the student. A student will be marked at least one half day absent for an early dismissal of more than an hour.

No student will be permitted to leave the building without the parent or the authorized adult. In the latter case, please call the school office to inform us who will be calling for the student.

### **TARDINESS**

A little late is too late!

A student is tardy if he/she arrives in the classroom after the 8:00 A.M. bell and will be marked so on his/her permanent record. If a student comes to school after that time he/she must report to the school office for an admittance slip. Since tardiness interferes with a student's progress and is a distraction to the class, it should be carefully checked into by the parents. Every time a student is tardy three times a detention will be issued.

### **COMMUNICATION**

If the home and the school are to work together in the process of education, they must communicate with one another. The school can only build on what the student brings from home. The brown envelope goes home each Wednesday and must be signed by parent/guardian and returned promptly on the next day. There will be a 50 cent charge for replacement of the brown envelope. Parents can also sign up for electronic communication for some items. The school does use School Messenger Service to notify families of emergency or important information

Every month a calendar is sent home with each child or youngest in the family. Occasionally newsletters which are important communiqués from the school to each home are sent to each family. Parents should check with their child daily to make certain bulletins are brought home.

Messages will not be given to students during the school day.

### **PARENT-TEACHER CONFERENCES**

Conferences are formally scheduled each year following the first report card marking period. This will afford an opportunity for the parent to confer with the classroom teacher on matters pertaining to the growth and development of the student and to receive an evaluation of his/her accomplishments.

Should a parent deem it necessary to have additional conference appointments, a note or call to the teacher requesting such is advisable. This should be made at least one day prior to the time desired in order for the teacher to make any adjustments in his/her schedule.

At no time should teachers be expected to leave their class during school hours or lunchtime to hold a conference, nor should a parent go to the classroom between 8:00 a.m. and 3:05 p.m. for this purpose.

### **CONFLICT MANAGEMENT**

If at any time there is a question, conflict, or a need arises the student's teachers should first be contacted. If the situation is not resolved an appointment with the Principal should be made. A conference or phone conversation is always available.

The expectation of collaborative, Christ-centered communication is held for both sides. Such communication is expected through in-person communication, telephone communication and electronic communications, such as emails.

### **FAMILY INFORMATION**

To maintain effective records and files the school office should be notified of any change of address or phone number (business or home) as soon as possible.

Parents going out of town for several days should let the office know the name and phone number of the person responsible for the students' care in their absence.

If a change happens in the family during the year because of a separation or divorce it would help us better respond to the children if we were notified. In child custody situations it is important that the office be informed who is to be the custodial parent.

This school abides by the provisions of the family educational rights and privacy act with regard to parents' rights or access to their child's school records. The school also abides by the provisions of the Illinois law regarding the right of access of non-custodial parent to his or her child's school records.

Release of copies of school records to the non-custodial parent is granted unless there is a court order to the contrary.

It is the responsibility of the custodial parent to provide the Principal with an official copy of the court order.

Unless informed otherwise and in writing and with adequate evidence that a parent is not permitted to have unqualified access to the child, the school may release a child to a non-custodial parent after school hours or allow said parent to visit a child outside the school hours.

By law the state of Illinois requires school personnel to inform the Department of Children and Family Services of any allegation/suspicion of child abuse/neglect.

## **CURRICULUM**

Educators have made great strides in developing creative programs which lead students to discover basic concepts through exploration and experimentation under the direction and encouragement of their teachers. Cognizant of such programs we have endeavored to make our educational program more personal and relevant to each student.

The curriculum for each grade is presented by each teacher at the parent meetings held in September. Curriculum maps highlighting general themes for all subject area as well as the total curriculum are available for viewing in the school office.

All of our programs are planned according to the directives of the proper educational authorities: the Church, the State, and Diocesan Schools Office. The curriculum for each grade includes the following subject areas: Art, Language Arts (English, Reading, Spelling, and Handwriting), Foreign Language, Mathematics, Music, Physical Education, Religion, Science, Social Studies and Technology.

## **RELIGIOUS EDUCATION**

The academic, physical, social, and spiritual development of the child is rooted in his/her religious formation. This begins early in the child's life under the supervision of parents and is nurtured by the school. To foster this growth, St. Celestine School offers a planned religious education program and participation in liturgical and para-liturgical celebrations at all grade levels. Prayer opportunities are a regular part of learning and will take place throughout the year.

Preparation for the sacraments is special and of assistance to both the parent and child in developing a deeper love for and understanding of the sacraments. We stress the importance of parent involvement in the sacramental preparation. Similarly, after reception of a sacrament, the continued participation in the sacrament is the responsibility of the parent.

## **PHYSICAL EDUCATION**

Formal physical education classes will be conducted for all students in grades K-8. If a student is unable to participate in these classes for a reason of health, he/she must bring a note from a parent and/or physician stating the reason and duration.

Students who are unprepared for gym will not be allowed to participate, repeated non-participation is detrimental to the grade each trimester.

## **FIELD TRIPS**

Field trips are regarded as an extension of our curriculum and are considered a regular part of the educational experiences. Such trips are arranged by the faculty throughout the year with the approval of the Principal. Written consent of the parents is always needed before a child is permitted to go with his/her class. A student who does not have a permission form will not be allowed to go on a trip. A phone call from a parent cannot be accepted in place of the signed form. All costs of a field trip are absorbed by the students.

All field trip days are not optional free days. They are counted as school days. Any student who does not participate in these events is required to attend school and to complete a normal day's class work.

The school reserves the right to refuse to allow a student to participate on a field trip when his/her behavior is judged inappropriate.

## **HOMEWORK**

Homework is the oral or written reinforcement and/or enrichment of concepts presented in class. It may include the completion of class assignments.

Time allotted for homework varies by grade level and by subject area. Each teacher will make a special effort to correlate all homework assignments with the lessons already presented in school. They will be given in such a way that the parent can serve as a guide to their completion as well as follow the student's subject matter and progress in school.

Written work, research, memorizing, drill, projects, are some types of homework. Whatever type is assigned it is important to help the child realize early that homework is his/her responsibility and an aid to developing good habits of independent study that will be expected as his/her education progresses.

In grades three through eight each student must have an assignment notebook that is supplied by the school. Homework assignments are to be recorded in this book each day. It would prove most beneficial if you would periodically check the book in order to be aware of the assignments due.

Homework for a student that is absent will be available for pick-up in homework hall (security entrance of the school) from 3:00-3:30 p.m.

Missing homework will be recorded on the weekly progress reports for grades 3-8. Non-graded missing homework will lose points on the general homework grade. Graded homework/projects will lose one grade for each day it is late, for example a graded assignment that earned a "B" grade will become a C grade after one day, a grade of D after two days, a grade of F (69%) after 3 days and a grade of zero after four days late.

### **EXTRA CURRICULAR ACTIVITIES / CLUBS**

The purpose of co-curricular activities at St. Celestine School is to provide an opportunity for the students to participate in activities which are not incorporated into the regular school day for reasons of needs, facilities or interests. These activities are in addition to the regular classroom requirements and are developed to:

- Encourage leadership potential
- Create a spirit of cooperation and teamwork
- Build self-discipline
- Provide an opportunity for improvement of skills
- Fulfill individual needs for success in areas not included in academic programs

Students should remember that involvement in any extra-curricular activity assumes they can conform to the policies of the school, demonstrate good citizenship qualities, and make an effort to succeed scholastically. As participants in such activities they represent the student body, the school and the parish. Violations of rules indicate that a student cannot exhibit the self-discipline and responsibility necessary for a position of leadership or representation.

A Student Council is available to help foster a sense of leadership and responsibility.

A school yearbook is developed every year. An Academic Club, Science Club, Drama Club, Art Club, Reading Clubs, Spanish Club, Scrabble Jr. Club and Student Choir are available for student participation.

### **SCHOOL BAND**

The St. Celestine School Band exists to provide students with an expressive and creative outlet of their musical talents through the study of wind and percussion instruments.

Students in grades 4 through 8 are eligible to participate with new members being recruited each Fall from grades 4-6.

Lessons are given during the school day with full rehearsals taking place before or after school. The band presents Christmas and Spring concerts each year. Tuition rates and scheduling information may be obtained from the Band Director.

### **DISCIPLINE**

The purpose of discipline in any human community is to help maintain order so that specific objectives can be attained. In a school it creates the favorable conditions necessary for study and an orderly school life. It is the means of developing order within the student her/himself. In this sense it is not only a part of learning, but also the very basis of learning.

Helping the child grow in self-discipline should be the constant aim of both parents and teachers. This involves not only a training of the intellect, but also a training of the will. When it is necessary that disciplinary measures are resorted to by the teacher or principal, they will be effective only to the extent that we have the whole-hearted cooperation of the parent. Your attitude of respect for authority and for good judgment on the part of the teacher, as well as your appreciation of the efforts of the school, is reflected in the attitude of your child.

All members of the Catholic School community, parents/guardians, teachers, staff, administrators and others, are expected to work together in preventing bullying and promoting gospel values in a Christ centered environment. Students are expected to participate in age appropriate educational programs developed by the school that address bullying and teach respect for all. Bullying by a student or students may result in suspension and/or expulsion from the school.

Good discipline originates in the home. The parent is the first teacher of the child, and should develop in him/her good behavior habits and proper attitudes toward school. A parent should:

1. Recognize that the teacher takes the place of the parent while the child is in school.
2. Teach the child respect for the law, authority, the rights of others, and for private and public property.
3. Arrange for prompt and regular school attendance and comply with attendance rules and procedures.
4. Work with the school in carrying out recommendations made in the best interests of the child, including discipline.

Talk with the child about school activities; show an active interest in his/her report cards and progress:

- ☒ Do you encourage your child to be enthusiastic about his/her school work?
- ☒ Does your child schedule sufficient time for home study?
- ☒ Is there a suitable, quiet place to study at home at a regularly scheduled time?
- ☒ Pencils, pen, paper, books dictionary, ruler, etc., should be at hand.
- ☒ Do you have family agreements that are kept regarding the use of telephone, electronic devices and TV?
- ☒ What do you suggest as a substitute when you're told there is no homework?

Consider:

Reading - continuous assignment for everyone, including magazines, newspapers and books chosen for enjoyment.

Reviewing - class notes, math processes, grammar usage, spelling.

Research - science or other long term projects that have been assigned.

What time is your child in bed each night?

Your interest and support at home are important to your child and greatly appreciated by his/her teachers.

When self-discipline fails there must exist rules and regulations for the management of school behavior. It is the student's individual responsibility to know and abide by these rules and regulations.

Good manners are expected of each child during the entire lunch period. Unacceptable behavior during the period will be reported to the Principal, and notification of misbehavior may be sent to the parents.

We know that both parents and teachers agree that the physical safety of our students during the school hours is paramount. The lunch period provides our students with a needed break from their studies and gives them an opportunity to get to know each other in a relaxed atmosphere. Please try to provide a nutritious lunch for your child. Carbonated beverages and glass containers are not allowed.

The following guidelines are the general school rules. Each teacher has specific guidelines/rules for his/her class.

### **GUIDELINES AT ST. CELESTINE SCHOOL**

A \$25.00 fee will be due for supervision per day.
- ✘ Out-of-school suspension...temporary removal from school for a period of time. A suspended child may not take part in any school related activity, must keep up on school assignments, may not be permitted on school property unless accompanied by the parent.
- ✘ Expulsion...removal from school after notification of Pastor, School Board and Office of Catholic Schools.
- ✘ The Principal is the final recourse in all disciplinary situations and may waive any disciplinary rule or procedure for just cause at her discretion.

Specific guidelines concerning suspension of class activities or expulsion include:

- ✘ Leaving the school grounds during the school day without the expressed permission of the Principal.
- ✘ Demonstrating disrespect to teachers, administrator, teacher aides, or any other school personnel.
- ✘ Intentionally absenting oneself from class or not attending school on appointed days.

▫ Vandalism or theft of school property or the property of others.

St. Celestine has the following policy:

1. Students are expected to take pride in their school and to take care of school property.
2. Parents are financially responsible for any vandalism done to school property by their children.
3. Failure to make restitution will be subject to court action according to the parental responsibility act (Illinois Revised Statutes, Chapter 70, Section 51-57, Effective October 6, 1969).
4. Acts of vandalism and any other acts of inappropriate conduct are a definite violation of St. Celestine School policy and will be grounds for suspension and/or expulsion.

The school takes a strong stand against student fighting. Students reported to the Principal's office for fighting will receive a strong warning/consequence and parents may be notified. If the student involved is on a probationary status set by the principal, the student may be asked to leave the school as this is a violation of the probation.

When all attempts at correction fail, or when there is evident absence of cooperation from the parents, we will not accept a student for enrollment the following year.

Sexual harassment by one employee of another, by an employee of a student, by a student of an employee, or by one student of another is unacceptable conduct. Employees or students who engage in any type of sexual harassment will be subject to appropriate discipline, including suspension and/or dismissal.

Retaliation in any form against an employee or student who exercises his or her right to make a complaint under this policy is strictly prohibited, and will itself be cause for appropriate disciplinary action.

Any employee or student who knowingly makes false charges against an employee or a student in an attempt to demean, harass, abuse, or embarrass that individual shall be subject to the sanctions for misconduct set forth above.

The school will determine the facts regarding all allegations of sexual harassment in as prompt and confidential a manner as possible and will take appropriate corrective action when warranted.

4. **RESPONSE:** Disciplinary or restorative action for bullying/harassment and/or violation of the School Code of Conduct may be taken which is not limited to an action plan, probation, suspension, and/or expulsion from the school.

## **EVALUATION**

### **ACHIEVEMENT TESTING**

Students in grades 3 through 8 are given the *Aspire Multiple Assessment* tests yearly. General school test results are available for review by making an appointment with the principal.

### **WEEKLY PROGRESS REPORTS**

St. Celestine School employs a weekly reporting system to parents in grades 3 through 8. This report indicates any missing/incomplete assignments to be signed by the parent. It is the responsibility of the student to present the report to the parent as well as to complete the assignments. It is also the student's responsibility to know what assignments are missing. Kindergarten, grades 1 and 2 handle problems on an individual basis. Progress reports can also indicate commendations for good work and behavior. Teachers and parents may also write notes in the comment section.

### **INTERIM REPORTS – ONLINE GRADING THROUGH POWER SCHOOL (Grades 4-8)**

In order for a parent to have a true picture of a student's progress, assessment reports will be sent home between the trimester grading periods if necessary. (The teacher will explain his/her procedures to the students and parents at the beginning of the school year.) You are asked to study the report carefully, make contact with the teacher if this is indicated and return the signed report to the teacher. It is hoped that such reports will serve as a motivation to the students to make up what is lacking before a problem becomes too great, or to acknowledge effort and achievement when they are present.

### **REPORT CARDS**

Report cards are issued 3 times a year (trimester) for all grades. The purpose for evaluating the student both in academic areas in work habits/attitudes is that both parent and teacher may cooperate in helping the student reach his/her potential.

It is important to remember that your child is an individual. The information given should not be compared to any other child's report, especially children in the same family.

In marking this evaluation of the student, the teacher considers his/her participation in class, grades achieved on home assignments, grades achieved on projects, grades scored on written tests/assignments and the capabilities of the student.

### **HONOR ROLL**

Students achieve high honors if all grades in every subject area are at least an 'A-' grade. Students achieve honor status if there are four 'A' grades in the major subject areas and a 'B' average in all other subjects.

Students achieve B honors by achieving a 'B' average in all subject areas.

'D' grades or check marks may keep a student from the honor roll.

The honor roll is for grades 5-8.

## **GRADING**

A serious attempt is made at all times to evaluate in the best possible manner the progress of students. The following grading system has been devised for that purpose:

A	(93 - 100)	The student is more than meeting the demands of the teachers. His / her work is completed on time. The work is of superior quality. It shows mastery of the subject matter. He / she has the ability to carry the job through and exerts a positive influence on the class.
B	(85 - 92)	The work is of superior nature and the required work is well done. The student meets the demands of the teacher and exerts a positive influence on the class.
C	(77 - 84)	He / she does satisfactorily the required work. The work is on time and is of average quality. The student is showing achievement.
D	(69 – 76)	The student is not doing all of the assigned work, is dependent on others, is inconsistent, uncertain and confused. Work is below normal, but shows some evidence of growth.
F	(68 OR BELOW)	Unsatisfactory, with little growth taking place. Lack of interest and irregular attendance and attention.
FAILURE		Any student receiving two or more F's (or U's) in a major subject on the report card will be expected to attend summer school or have a minimum of 15 hours of tutoring. Verification of the above must be presented to the principal before the child will be promoted to the next grade.

**TUITION POLICY FOR 2018-2019 SCHOOL YEAR**

St. Celestine School and Parish accept the obligation of providing the best Roman Catholic Education possible within the limits of their resources. The Parish provides funds from the Parish budget to help cover the cost of operating our school. Catholic school families are expected to fully participate in the life of the parish to help insure its vibrancy in the future.

Each student and parent is expected to observe the policies of the school as outlined in the school handbook.

In creating a FACTS Agreement, parents/guardians accept the responsibility of paying their tuition on time. Tuition is due on or before the **first** day of the month. Since our school receives **no** assistance from any agency, including the Archdiocese, timely tuition payments are essential to the continued operation of our school. Therefore:

1. In order for students to receive the reduced parishioner rate, their parents/guardians must be registered parishioners.
2. A non-parishioner rate is assessed for non-Catholic/non-registered families.
3. A \$25.00 non-refundable registration fee per child is due when registering for the next school year.
4. When a family falls **one (1) payment behind**, they will receive notification from the School Finance Secretary. Any family behind **two (2) tuition payments** will be asked to withdraw their children from school until such time as back payments are paid in full. The notice will give them a grace period of one (1) week before the suspension takes effect.

5. No child will receive his/her report card at each quarter or at the end of the year (or participate in 8<sup>th</sup> grade graduation ceremonies if applicable), unless all tuition and fees are current.
6. No student is guaranteed placement for the new school year until all tuition, fees, and penalties from the previous school year have been paid in full.
7. There will be a \$25 service charge for all NSF checks.  
There will be a \$20 late fee for delinquent tuition and fees received after the **15<sup>th</sup>** day of each month.  
There will be a \$6.00 service charge for all certified letters.
8. Each family with a child in PreK (all day) thru 8th grade is **required** to raise/pay a minimum of **\$200 in sales of raffle tickets** for the school fund-raiser. Each family with a child in any half day preschool program is **required** to raise/pay a minimum of **\$100 in sales of raffle tickets** for the school fundraiser. Any funds not raised/paid will be assessed the applicable amount due thirty (30) days after the completion of the school fund-raiser. Current K-8 families have the option of paying \$150.00 before the end of January in lieu of \$200.00 raffle ticket fundraiser.
9. The School Board Finance Committee, Principal, School Finance Secretary, or Business Manager may ask for payment of late tuition or fees thereof in the form of cash, certified check or money order.
10. The school is not responsible for collecting tuition payments from anyone except the parent or legal guardian who signs the tuition agreement.

## **HEALTH AND SAFETY**

### **ACCIDENTS/ILLNESS**

If a student becomes ill or is injured during the school day, the office will contact the parent or a person authorized by the parent. An emergency information card for each student is kept on file in the office, listing the names of persons to be contacted in the event a parent is not available. Parents are responsible for keeping the emergency card up to date. It is also imperative that a current telephone number where a parent can be reached, is on file in the school office.

A parent or authorized person must call for a student at the school office. No student will be permitted to walk home unless special arrangements have been made by the parents.

### **EMERGENCY CLOSING**

During the winter months the Archdiocesan School Policy is to keep the school open unless there is extreme weather which breaks down the operating facilities.

If extreme weather occurs, St. Celestine School will be announced on the following radio stations: WMAQ (670am), WGN (720 am), WBBM (780 am).

Cancellations will be read at 5:20 A.M., 6:20 A.M., and again at 7:20 A.M. if St. Celestine School is not called out on the radio station as having no class, school classes will be held that day. Please avoid calling the pastoral center or the school office for information. Listen to those radio stations or TV.

1. We will also be closed if the Archdiocesan School Office announces all schools in the Archdiocese are closing, including the suburban schools.

Please remember we will stay open unless we are really forced to close. Judgment should be used in sending the young children to school, especially if they must walk a good distance in any type of severe weather.

Expect a phone call from School Messenger only if there is an emergency closing with no possible radio or TV announcements. Please keep your line open if you suspect that conditions are severe enough to warrant an emergency closing.

When the National Weather Service issues a tornado warning in the vicinity during school hours or just before dismissal, we will follow our tornado drill plan and teachers and students will go to their designated safety areas until the threat is over. No child will be dismissed from school if there is a tornado warning for the local area.

### **SEVERE WEATHER**

When a tornado or severe storm warning is sounded, the students will immediately move to the assigned hall space. They will remain there until the school receives an all clear signal from the local law enforcement or the weather radio.

During a tornado warning: the school will not dismiss until the all-clear signal has been sounded.

### **FIRE DRILLS**

Fire drills are required and will be held periodically with the date and length of time needed to evacuate the building being recorded. In every classroom there is a sign directing students toward emergency exits. Fire inspections may be conducted at any time by local fire department officials and/or Diocesan inspectors.

### **MEDICATION**

The office of Catholic School has specific school medication procedures. Forms and procedures that are to be followed are listed in the following pages.

If a student is on any type of continuous medication, it should be indicated on the emergency information card.

### **PHYSICALS**

Physical examinations and up-dated immunization records are required by the state of Illinois for all students entering Kindergarten and Sixth grade and all new students. It is imperative that no child be admitted to these grades unless requirements are met by the first day of school.

## **SPECIAL HEALTH PROBLEMS**

If a student has a special health problem this should be indicated on the emergency card as well as in letter form for inclusion in the cumulative file. Special problems include allergies, vision, hearing, diabetes, epilepsy, rheumatic fever, recent surgery, medication or anything that might limit students at school. Emergency cards must be filled in and signed on both sides. Cards must be returned to school office as soon as possible

St. Celestine School has developed a comprehensive crisis management plan that is available in the school office for review.

## **MISSING PERSONS**

Any notification of a missing person that is received will be promulgated through the proper channels of communication such as the school community, police department, Office of Catholic Schools. Records requests for any missing persons will be flagged accordingly.

## **OFFICE OF CATHOLIC SCHOOLS ARCHDIOCESE OF CHICAGO**

**7. Emergency Medical Care.** In the event a student shall become ill or injured or otherwise need immediate medical attention that is not contained in the **Medical Authorization Form** on file with the School Principal or his/her designee or with the School nurse (if applicable), the Principal or his/her designee shall attempt to contact the student's parent/guardian utilizing the information provided on the student's **Medical Information and Emergency Notification Form**. If the student's parent/guardian cannot be contacted, the School Principal or his/her designee shall attempt to contact the person identified by the parent/guardian as the student's emergency contact. In either event, such contact shall be made to advise of the observed illness or injury or need for medical attention and to obtain further instructions from the student's parent/guardian or emergency contact.

Notwithstanding the foregoing, the School Principal or his/her designee or School nurse (if applicable) or other certified school personnel may call State or local emergency medical services before or after attempting to call the student's parent/guardian or emergency contact if, in the exercise of school-related supervision of the student, the student's illness, injury or need for immediate medical attention is perceived to be in need of emergency medical care

During the year we have several unclaimed and unidentified items left in school. Please take the time at the beginning of the year to clearly and permanently mark your child's belongings---sweaters, jackets, boots, gym shoes, lunch boxes, mittens, etc. It would also be beneficial if you would check these periodically. ## **TECHNOLOGY**

### **St. Celestine School Acceptable Use Policy**

St. Celestine School understands that growing technological advances in education will change the way instruction and student learning occur. The world of technology, the Internet, offers a vast amount of resources that will allow for educational exploration. St. Celestine School will establish the appropriate guidelines for use of the Internet. The Acceptable Use Policy will be consistent with the mission and best practices taught within the school.

Internet access is available to our faculty, staff, and students. The Internet will allow our students, faculty, and staff to have instant access to research materials, libraries, databases, and materials throughout the world. St. Celestine recognizes the Internet is a global network with material that may not be deemed valuable to the education of our students. A filtering system is in place to limit access to controversial materials. However, it is impossible to control all secure web sites. It will be the responsibility of the user and the supervising staff member to keep all controversial web sites from entering the network.

It is St. Celestine's policy that all users will adhere to the established guidelines and acceptable use policies. These guidelines will be explained so all users are aware of the responsibilities they will be given. Internet usage is a privilege. This privilege will be revoked if the user does not comply with the established guidelines and policies. User accounts will be terminated, future access may be denied, and discipline action may result.

Users are expected to abide by the generally accepted rules of network etiquette (*Netiquette*) listed below:

1. Be polite. Do not write or send abusive messages to others. Use appropriate language. Do not swear, use vulgarities, or any other inappropriate language. Do not distribute pornographic, obscene, or sexually explicit materials.
2. Do not reveal your personal home address or phone number. Do not reveal the addresses or phone numbers of other students or staff members.
3. Note that electronic mail (email) is not private. People who operate the system do have access to all mail. Messages relating to or in support of illegal activities may be reported to the proper authorities.
4. Do not use the network in a way that would disrupt the use of the network by other users or in any way likely to cause disruption in the delivery of educational services.

## Terms and Conditions

1. Students will access the Internet under direct supervision of a staff member.
2. All Internet use should be appropriate to staff professional activities or students' education.
3. Students shall not post personal information (name, address, phone number, school address, work address) about themselves or other people on the network or Internet.
4. Students shall not use the Internet to engage in any illegal acts.
5. Students shall not use the Internet for commercial activities, product advertisement.
6. Students shall not attempt to gain access to any other network or any person's files.
7. Students shall not misuse or destroy data of another user.
8. Students shall not use impolite or abusive language.
9. Students shall not violate the rules of Netiquette.
10. Students shall not use copyrighted material as their own. They may not send copyrighted materials without permission.
11. Students will not give their password to anyone *with the exception of a parent and/or guardian*.
12. Posting anonymous messages and forwarding chain letters is forbidden.

## **St. Celestine School Google Apps for Education (GAFE) Student Permission Form**

St. Celestine School is implementing **Google Apps for Education (GAFE)** for all teachers and students in 4<sup>th</sup> through 8<sup>th</sup> grade classrooms. Students in these classrooms will have Google accounts *within our school domain* to allow email, storage of documents and presentations, and collaborative work on shared projects. Having accounts within our school domain means these accounts are in an enclosed school environment. Students will only be able to work and correspond within the school GAFE account. They will not be able to send or receive emails from outside our school. All stored work will be accessible from home, school, and anywhere there is an Internet connection.

Students and teachers will have access to Google Calendar, Google Docs, Google Sites and Teacher Dashboard. Students will not use the Google Chat feature. Students will have training on how to use Google Apps for Education. The Teacher Dashboard will allow teachers to assign work, comment, and assess work electronically in real time.

Google Apps is a place for students to communicate safely online with peers and teachers and collaborate on school related documents. As students become more proficient, they might also create presentations, spreadsheets, web sites, and calendars. GAFE is not intended for personal use.

### **Responsible Use Guidelines**

Teachers will make every reasonable effort to monitor student conduct related to class content in order to maintain a positive learning environment. All participants will respect the teacher's time and professionalism by supporting the same positive approach.

Students will adhere to the St. Celestine School Acceptable Use Policy (signed and submitted when students enter St. Celestine School). All participants will be respectful in their postings and comments. No cyberbullying, inappropriate language, personal insults, profanity, spam, racist, sexist or discriminatory remarks, or threatening comments will be tolerated.

All students must protect their login and password information. If students suspect that a password has been compromised, they must notify the teacher immediately. No student may share his/her login information; or information about the site with anyone who is not a participant.

Copyrighted material that is not cited in any student work will be deemed as plagiarism and disciplined accordingly. Student users are strictly prohibited from accessing documents other than their own unless documents have been shared with them.

Access to and use of the student's Google account is considered a privilege. St. Celestine School maintains the right to terminate the access and use of a student's Google account when there is reason to believe that violations of law or school policies as stated in the school acceptable use policy have occurred.

### **SCHOOL CHROMEBOOKS**

Students will be assigned a Chromebook while at school, and they will be responsible for the device while in their use. Students will take care to follow the directions given on how to properly care for the device. Students are assigned a device in 3<sup>rd</sup> grade that they will use through 8<sup>th</sup> grade. Students will take care to follow the directions given on how to properly care for the device. In the event that the device is dropped or damaged and needs repair, there may be a charge for the repair depending on the circumstances.

Every effort will be made to guarantee the security of electronic files used in Google Apps for Education as both St. Celestine School and Google have content filters; however, St. Celestine School cannot ensure that users will not be exposed to unsolicited information. Students will be directed to report a problem immediately to the teacher so that it can be taken care of.

### **TELEPHONE**

Students may not be called to the telephone, however, phone messages will be delivered to the students only in case of emergency. Students staying after dismissal for any unexpected reason will telephone home to inform the parent.
